

Resolution In Support of Virginia’s Rural Broadband Initiative

Whereas, the Commonwealth Rural Access Initiative was formed by rural and industry advocates; and

Whereas, the mission of the CRAI is to accelerate the deployment of broadband technologies to all corners of Virginia; and

Whereas, the CRAI has places a special focus on underserved areas; and

Whereas, the membership of the CRAI is made up of a diverse group of individuals, businesses and organizations; and

Whereas, members are united by their interest in speeding ubiquitous deployment or broadband to rural Virginia; and

Whereas, every community faces unique circumstances and challenges; now, therefore, be it

Resolved that [INSERT ORGANIZATION] believes for the CRAI to achieve its mission it will require a multi-dimensional effort; be it

Resolved further [INSERT ORGANZIATION] is committed to CRAI’s effort that combines the innovation and entrepreneurship of the industry with a commitment to promote opportunities and prosperity in rural Virginia.
